

Chalice

Go up to the altar during the offertory hymn – remember to take Order of service and hymn book.

If two chalice bearers, agree with other person before the service which side each will stand on.

Note anyone who will be receiving non-alcoholic wine, which will be in a separate small chalice on the table.

Vicar will determine if either need to assist in preparations.

As wine is offered, say **“The blood of Christ shed for you”**

If two chalice bearers, alternate between communicants.

After communion has finished, give remainder of wine to vicar.

If two chalice bearers, person who is on vicar’s right accepts the collection as it is brought up by sides people offering short prayer of thanks for gifts.

Help finish wine after service if able to do so.
